## V. LITERATURE DISTRIBUTED

In early 1953, informant furnished a four-page pamphlet issued by the LACSJRC and captioned "Perjury in the Rosenberg Case." The pamphlet raised doubts on the testimony of DAVID GREENGLASS at the trial of the ROSENBERGS and states new documents reveal that the major witness lied. It also alleges that an FBI affidavit admits perjury. The pamphlet states that the ROSENBERGs were "offered a deal" by the United States Attorney General and if they (the ROSENBERGs) cooperated, their lives would be spared. (Exhibit 11)

-7d

Informant, on January 26, 1953, furnished copies of "Petition for Clemency", which informant advised were being circulated by "progressive groups" in the Los Angeles ares.

The petitions are in the form of a letter to President DLIGHT D. EISENHOWER and contain spaces for ten names and addresses of signers. The letter appeals for elemency for the ROSENBERGS, stating that new documents in the case have revealed that Mrs. DAVID GREENGLASS has called her husband unworthy of belief and that DAVID GREENGLASS had admitted lying to the Government, the court and his family. (Exhibit 12)

Informant, on February 27, 1953, furnished a one-page printed leaflet captioned "An Appeal for Clemency". The leaflet contains statements from POFE PIUS XII, Dr. BERNARD M. LOCKER, Dean of the School of Theology, Chicago University, and Rabbi ABRAHAM CRONBACH regarding the clemency of appeal of the ROSENBERGS. It was issued by the LARSC. (Exhibit 13)

678

On [pril 17, 1953, informant furnished a four-page printed pamphlet entitled "Fact Sheet in the Rosenberg Case" issued by the IACSJRC.

The "Fact Sheet" attempts to raise doubts regarding the guilt of the ROSENBERGS and lists names of prominent persons who advocate clemency, including POPE PIUS XII, Dr. ALBERT RINSTEIN and Chief Justice JAMES WOLFE of the Utah Supreme Court. (Exhibit 14)

677

On May 9. 1953, informant furnished a two-page mimeographed "News Letter" captioned "Clemency for the ROSENBERGS" issued by the Los Angeles Rosenberg Committee.

The news letter reflects that 25,000 New Yorkers attended a clemency rally at Randall's Island on May 3, 1953. It also reflects that JOSEPH ERAININ, National Chairman, spoke regarding a memorandum written by DAVID GREENGLASS which contradicts his testimony in the Rosenberg trial.

The news letter announced that an emergency meeting would be held on May 11th at the Park Manor, 607 South western Avenue. (Exhibit 15)

"The Shocking Truth" on Hay 25, 1953. The pamphlet was issued

concealed and charges that the Justice Department "criminally"
kept the POPE's elemency appeal from reaching the President.
It also accuses the Justice Department of being guilty of
"conspiracy to commit a crime" against the ROSENBERGs and to
perpetuate a "monstrous hoax" against the American people.
The pamphlet concludes by listing what readers can do in
behalf of the ROSENBERGS. (Exhibit 16)

On June 12, 1953, informant furnished a four-page printed pamphlet captioned "Comments From the Jewish Press on Clemency for ETHEL and JULIUS ROSENBERG" issued by the National Committee to Secure Justice in the Rosenberg Case.

The pamphlet contains statements published in various Jewish publications regarding the clemency appeal of the ROSENBERGS. (Exhibit 18)

on June 12, 1953, informant furnished a four-page printed pamphlet issued by the Los Angeles Rosenberg Committee captioned "Leading Rabbis of Israel Protest Rosenberg Death Sentence". The pamphlet is written in English and Yiddish and contains a statement by Rabbi Dr. MEYER SHARFF reflecting his support of the clemency campaign to save the lives of the ROSENBERGS. (Exhibit 19)

On September 4, 1953, informent furnished copies of a 48-page pamphlet captioned "The Rosenberge--Their Story", issued by the LACSJRC. The pamphlet is described by GUY ENDORE in the preface as a Rosenberg Clemency Brochure. It describes the background of the ROSENBERGs, and the history of the ROSENBERG case. KENNETH D. JOHNSON, aka DEAN OF NEW YORK SCHOOL OF SOCIAL WORK COLUMBIA UNIVERSITY

During my conversation with KENNETH D. JOHNSON on 9/10/54, he remarked that the Rosenberg children were living with AREL and ANNE MEEROPOL. He advised that the children had formerly been living with Mrs. SOPHIE ROSENBERG, mother of the executed JULIUS ROSENBERG. He said that Mrs. Rosenberg was of the Orthodox Jewish faith and that it was very difficult to bring the children up according to her strict interpretation of her religion. He advised that it was for this reason that the children were removed from her apartment and are again living with the Meeropols. It is noted that Abel and Anne Meeropol are on the Security Index of this office.

#### POR RELEASE MONDAY SEPTEMBER 20.

to New York state's four major political parties to urge the removal of her son from Alcatras.

e ples to the platform committees of the Republican, Democratic,
Liberal and American Labor Parties. She asked that the parties
take action at their forthcoming state conventions to aid her son,
sentenced to 30 years in the Rosenberg trial.

Sobell, who has been fighting for a new trial, contends that he is innocent, and that he was sent to Alcatras, America's most severe prison, in an effort to force a "false confession" from him.

The text of Mrs. Sobell's appeal is as follows:

My name is Rose Sobell and I live at 2400 Devidson Avenue in the Bronx, N.Y. I have been a resident of New York state for many years, and it is in this state that I raised my family.

I am appealing to you, one of my state's major political parties, to help me secure justice for my son, Horton Sobell, who grew up in the Bronz and was graduated from City College of New York.

Although he has done nothing wrong, he has been sentenced to 30 years in prison. You may the last any mother would say her son is innocent. By the last me, I know my son Korton very well, and I know has done nothing wrong. The 30-year prison sentence in itself is something terrible. Still more horible is the fact that he has been sent to Alcatraz, which is the most severe prison in our country.

My son was charged with "compliancy to commit" espionage in the trial with Ethel and Julius Rosenberg. He was convicted -- not on any evidence -- but on the testimony of only one witness. This witness was a man

and the point has the the part of the property of

who iced a possible perjury in ctment and stood to gain by saying my Morton was guilty. My son is appealing for a new trial, and when he wins such a trial, he will be able to prove his innocence. It will be shown that he was a victim of the hysteria that has resulted in so many injustices.

Many prominent Americans have already asked Federal Director of Prisons, James V. Bennett, to remove my son from Alcatraz. I ask your party convention to express approval of the request that my son be removed from Alcatraz.

boss my son belong in Alcatraz? All law and custom show that he does not. Alcatraz is supposed to be for hardened criminals who have escaped from other prisons, or who are considered a menece in regular prisons. If you could talk with my son, and see what a gentle person he is, a scientist who longed to serve his country and humanity, you would see that even by the remotest stretch of the imagination, he should not be in Alcatraz. Do you know that in Alcatraz a prisoner isn't even allowed to be visited by his children? And my son has two beautiful children. Even when I get to see him, I must talk to him through a telephone, and I am separated from my dear son by a thick prison glass.

It is clear to me that my son is being held in Alcatraz mainly for one reason—to try to force him to "confess." From the time of my son's arrest he has been under constant pressure to "confess." However, he has always spoken the truth and said that he had done nothing to "confess." When every other pressure failed, the authorities sent my son to Alcatraz.

We have seen this kind of third degree being used in New York. I'm thinking of the case of Paul Pfeffer. It was shown that he was forced to make a false confession. When the facts became known, he was released and is going to get a new trial.

I am asking you to approve the removal of my son from Alcatraz for two reasons. One is because I am Morton Sobell's mother and naturally want to see justice done for my son. The other is because I know that if such things can happen to my son, they can-and will-happen to others in our country and in our state. I love my country, and know that trying to force confessions from people is not the way of our democracy. When a man says he is innocent, he deserves a chance to prove it.

I hope you will give careful consideration to my request.

National Committee to Secure Justice for Man Sebell in the Rosenberg Case 1050 Sixth Ave., New York 1 1.4. LO 4-9585

#### FOF RELEASE MONDAY, SEPTEMBER 20.

NEW YORK, Sept. 20 -- The mother of Porton Sobell has appealed to New York state's four major political parties to urge the removal of her son from Alcatraz.

Mrs. Rose Sobell, who lives in the Bronx, N.Y., has addressed a plea to the platform committees of the Republican, Democratic, Liberal and American Labor Parties. She asked that the parties take action at their forthcoming state conventions to aid her son, sentenced to 30 years in the Rosenberg trial.

Sobell, who has been fighting for a new trial, contends that he is innocent, and that he was sent to Alcatraz, America's most severe prison, in an effort to force a "false confession" from him.

The text of Mrs. Subell's appeal is as follows:

My name is Rose Sobell and I live at 2400 Davidson Avenue in the Bronx, N.Y. I have been a resident of New York state for many years, and it is in this state that I raised my family.

I am appealing to you, one of my state's major political parties, to help me secure justice for my son, Morton Sobell, who grew up in the Bronk and was graduated from City College of New York.

Although he has done nothing wrong, he has been sentenced to 30 years in prison. You may think the any mother would say her son is innocent. But he lieve me, I know my son Norton very well, and I know he has done nothing wrong. The 30-year prison sentence in itself is something terrible. Still more horrible is the fact that he has been sent to Alcatraz, which is the most severe prison in our country.

My son was charged with "conspiracy to commit" espionage in the trial with Ethel and Julius Rosenberg. He was convicted -- not on any evidence -- but on the testimony of only one witness. This witness was a man

2 -- 2 --

· . . . ,

who faced a possible perjury indictment and stood to gain by saying my Morton was guilty. My son is appealing for a new trial, and when he wins such a trial, he will be able to prove his innocence. It will be shown that he was a victim of the hysteria that has resulted in so many injustices.

Many prominent Americans have already asked Federal Director of Prisons, James V. Bennett, to remove my son from Alcatraz. I ask your party convention to express approval of the request that my son be removed from Alcatraz.

Does my son belong in Alcatraz? All law and custom show that he does not. Alcatraz is supposed to be for hardened criminals who have escaped from other prisons, or who are considered a mence in regular prisons. If you could talk with my son, and see what a gentle person he is, a scientist who longed to serve his country and humanity, you would see that even by the remotest stretch of the imagination, he should not be in Alcatraz. Do you know that in Alcatraz a prisoner isn't even allowed to be visited by his children? And my son has two beautiful children. Even when I get to see him, I must talk to him through a telephone, and I am separated from my dear son by a thick prison glass.

It is clear to me that my son is being held in Alcatraz mainly for one reason—to try to force him to "confess." From the time of my son's arrest he has been under constant pressure to "confess." However, he has always spoken the truth and said that he had done nothing to "confess." When every other pressure failed, the authorities sent my son to Alcatraz.

We have seen this kind of third degree being used in New York. I'm thinking of the case of Paul Pfeffer. It was shown that he was forced to make a false confession. When the facts became known, he was released and is going to get a new trial.

I am asking you to approve the removal of my son from Alcatraz for two reasons. One is because I am Morton Sobell's mother and naturally want to see justice done for my son. The other is because I know that if such things can happen to my son, they can-and will-happen to others in our country and in our state. I lov my country, and know that trying to force confessions from people is not the way of our democracy. When a man says he is innocent, he deserves a chance to prove it.

I hope you will give careful consideration to my request.

#### FOR INSEDIATE RELEASE

The los Angeles Committee to Secure Justice for Horton Sobell announced today, the initiation of a SCHOLL CALL FOR JUSTICE designed to call public attention to the injustice of the confinement in Alcatrez of Morton Sobelle who is serving a sentence of thirty years on the charge of conspirecy to commit espicates.

The Scroll will make its first appearance at a SCROLL CALL FOR JUSTICE after-dinner, coffee party to be held on Thursday evening, at the Prk Manor. The party will be M.C. 'd by Jack Tenner and will feature prominent entertainers, including Al Hanner, Ernie Meverson, Billy Wolf and distinguished citizens including Nev. Stephen Fritchen, Robert Kenny, Dan Marshall, Dr. Sanford Goldner, Art Takei, Alice McCrath.

From Sobell's wife, Relen Sobell will report to those assembled on the latest developments in the fight to secure a new trial for hor husband and the institution of legal proceedings to transfer her husband from Alcetron where he is, she mays, illegally confined. Alcetron is being used as a pressure to make her husband confess to a crime which he did not countt. It's Sobell alleges.

The Scroll Call for Justice will call upon James V. Bennett, Director of Federal Bureau of Prisons, to transfer Morton Sobell from Alcetran since that institution was conceived as a prison for criminals who, by the number and wickence of their crimes, theri attempts at escape, by attacks on prison guards, must be kept in extreme isolation. Horton Sobell continues to maintain his immoscance of any crime. He has no prior record and his prison conduct has been exceptary. He does not belong in Alcetran.

The transfer from Alcetrox is being sought particularly, according to a spokenman for the Committee, so that Sobell's work of conferring with Attorneys in the properation of documents and information needed to secure a new trial might be free of the heroh impediments which configurent in Alcetron imposes.

The "pitch" was made by a professional "pitch maker" named MEL WARNER (ph.).

This was a social with a man engreed from 6 P.M.

In Jacobs was to speak sharply of 9 Pad, and he did. He is a very goiet speaker without too much force. He opened his speech with a summary of how Forton Sobell was soized and beaten in Mexico in 1950. He also claims that Bis. Helen Sobell and two children were kidneyed and turned over to American authorities. After the illocal secure in Mexico Perton Sobell was taken to the lorder and turned over to the FBI without any formal charge. In fact, he was in jail for months before he knew why he was being held. The whole thing has been contrary to the American way of life.

"I'r. Jacobs then reviewed the high lights of the trial in which a man named Ellinger who had been friends of the Sobelis hought the Sobell forniture and then testified against him. He claimed that the only things arainst Sobell were meetings with Julius Rosemberg but who could prove what was said. He took a crack at Elizabeth Bently and her kind-confessed Soviet Spics. In his speech he classified everything against Sobell so lies. He also claims that the FRI visit Mr. Sobell from time to time in Alcotraz in an effort to make him talk.

MED, SAC SL. 10-11726

However, Morton Sobell is innocent and will not name names because there are none to name. He is a noble character because he will not lie to obtain his freedom. Mr. Jacobs then stressed the point that the family of Sobell is suffering—his poor old mother, his little children. He brought cut the point that I had given him a few nights before that there is no law of this lard that can take the rights of perents to seeing their children. Mr. Jacobs does not have the ability to sway a crowd as he is a drab speaker.

"A resolution was passed by suggestion of Clara Mae Perkins to send a telegram from this group to Mr. Bennett Head of Trisons demanding that Morton Sobell be taken off of Alcatraz. Mr. Jacobs said that he would be back in New York next week and would see Helen Sobell. He assured the group that he would report about the kindness and enthusiasm of the St. Louis Committee to Secure Justice for Morton Sobell.

T-6 has been able to furnish information concerning the various checks drawn by the ECSJ. This information has been reviewed, and the following schedule reflects items which appear to be of interest to this investigation. The following schedules set forth the check date and the amount paid to the various individuals. The column "Indersements and/or explanation" contains the emplanation appearing on their check for the individual disbursements. It will be noted that there were numerous checks drawn to cash which were presented to the Chase Matienal Bank by a committee employee, and according to T-6, the employee was reimbursed in cash. From the explanation appearing on the check, it appears that the cash may have been used for the payment of vondors' invoices.

during the menths of May, June, July, August, and September, 1954. This schedule does not include all checks drawn by the committee but merely those which show the name of the payee and appear to be of interest to this matter. It should be noted that the committee has drawn numerous checks on this account payable to cash. The explanation appearing on the checks indicated that these items were fer expenses such as petty cash, gifts, postage, payroll, and telegrams, etc.
